The screenshot shows the Moodle Resources Website interface. At the top, the title "Moodle Resources Website" is displayed in a large, blue, stylized font. Below the title, there are three navigation buttons: "Student Support" (with an icon of two people), "Staff Support" (with an icon of a single person), and "Links" (with an icon of a magnifying glass). The main content area features a section titled "News for Students" in a purple, cursive font. Below this title, there is a list of links: "Basic Guide [English]", "Quick Guide [中文版] [English]", "If you cannot find any modules, please contact your teacher directly.", and "[Help Desk](#) is available!". At the bottom of the news section, there is an illustration of a male and female student sitting at a desk, working on laptops. A computer monitor in the background displays the Moodle logo. The overall design is clean and user-friendly, with a light blue and white color scheme.
